INSTRUCTIONS

Fill in the county, municipality, TID number, School district, and special district (if applicable) in the upper left hand corner. **

*** If state assessed parcels in this TID lie in more than one county or school district, or if only some of the parcels are in a special district; use additional forms to report each portion separately.*

In the blank under the form's title, fill in the TID creation year.

List all parcels in the TID that are assessed by the state. Do not include the state manufacturing values.

Column 1 - Owner's Name and Site Street Location

List the name of the owner that appeared on the assessment roll. Identify the physical site location by street not the owner address.

Column 2 - Parcel Number

List the parcel number that appears on the left hand side of the manufacturing assessment roll.

Column 3 - DOR Computer Number

List the DOR computer No. that appears in the second column of the manufacturing real estate assessment roll.

Column 4 - Complete only if some or all of the parcels overlap another TID.

Column 5 - Acres

Give the number of acres in the parcel.

Columns 6, 7, & 8 - Land, Improvements and Total

Do not include values as state will complete.

CERTIFICATION

The clerk must complete all items in the certification and sign it.

WARNING

Failure to provide this information for any state assessed parcels that have not been entirely included within the TID boundaries could result in an inaccurate base value certification.
